

LINER
EVOLUTION

The responsible liner range with a phthalate-free formulation

LINER EVOLUTION

+ CHARACTERISTICS

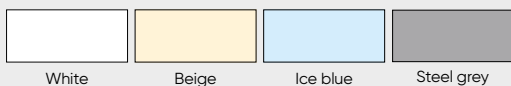

- The formulation of the 75/100th Evolution liner integrates 100% **phthalate-free** plasticizers.
- It has a 10-year **watertightness warranty** and a 3-year **stain resistant warranty** for use in water **up to 32 °C**.
- It is also classified as "superior class" in the NF EN 15836-1 standard.
- The Evolution liner meets the requirements of EN 71-3* (toy norm).
- A customisable liner thanks to its range of colours and the ID Liner service.

+ COMFORT

- For an enhanced safety, equip your stairs and shallow ends with our 75/100th anti-slip, adherence warranted compliant with the NF EN 16582-1 standard.
- An anti-slip finish is strongly recommended on stairs.

▶ COLOURS AVAILABLE

Colours also available in anti-slip version.

USEFUL TO KNOW

- ▶ Like all our liners, Evolution is custom made in our workshop and fits perfectly with different pools. **It can be customised thanks to the exclusive ID Liner service.**

FOR MORE INFORMATION, PLEASE ASK YOUR POOL EXPERT

* This norm, not applicable to swimming pools, is related to the absence of dangerous products in plastic toys intended to children.
