## BUY OR LEASE-TO-BUY\*

\* Financing available according to the country. Ask your distributor.

- Dome in translucent grey 210 g/m<sup>2</sup> Oxford Cloth + PVC underskirt for the part in contact with the ground.
- 2 offset entrances separated by a transparent Velcro® closing door flap.
- PVC skirting for placing ballasts.
- Can be connected to a standard 220 V (15 A) outlet.
- Easy handling thanks to its transport case.

**★ Awning extension in option:** attached to the dome with Velcro® and to be held to the ground by ballasts, it protects an outside stairway or a flap going beyond the dome.
